About us :-

Established in 2006, Alpha Technical Education is a leading organization in technical and skill-based education, committed to delivering quality, career-oriented learning. To date, we have educated over **5,00,000 students**, equipping them with industry-relevant skills and recognized certifications.

Alpha is associated with more than **25 leading Universities and Authorised Exam Center of various Universities and BOSSE Board**, maintains a strong and continually expanding network of more than **1,500 authorized partner centres** across India, with active presence in key states including Delhi, Haryana, Bihar, Assam, Uttar Pradesh, Madhya Pradesh, and others. This extensive reach reflects our credibility, operational strength, and long-standing partnerships within the education sector.

With sustained growth, academic excellence, and a robust national footprint, Alpha Technical Education is strategically progressing toward the establishment of its own university, reinforcing our long-term commitment to innovation, academic autonomy, and excellence in higher education.

Benefits of Joining Alpha Technical Education

Today, Alpha is opening its doors for local computer centres and coaching institutes to join our fast-growing educational network.

Become an **Alpha Authorized Centre Limited-Time franchise Fee Only ₹ 10,000 (Previously ₹ 25,000)** We are offering a special opportunity for local centres to partner with us at a significantly reduced franchise fee of just ₹10,000. This is your chance to grow with a reputable brand, backed by years of trust, technology, and quality education.
